Dear Mr. Steach:

On behalf of myself, the officers, and the associated fire entities, please accept our sincere thanks for your generous donation of \$2,000.00. Your kind donation will assist with offsetting the operating costs for guest speakers, training, and other functions for our statewide association.

As you are aware, the Montana Career Fire Chiefs Association (MCFCA) is a recently formed statewide association representing all Career and major municipal fire departments and fire districts within the State. As we embark upon our first year, we will be sure to publically note and express our thanks to ConocoPhillips for your financial support in helping MCFCA to become established.

Please be sure to visit our website at [www.montanacareerfirechiefs.org](http://www.montanacareerfirechiefs.org). We are proud to recognize ConocoPhillips as an MCFCA contributor, and we appreciate your joint efforts with the fire service in Montana to ensure safety for all of our communities statewide.

Best regards,
